

# REPORT CARD

Tutor Name: Mahendra R.

Joined Firat: 2018

Subjects Taught: Math

## TUTOR BIO

Mahendra started at Firat Education in 2018 as a Mathematics tutor. Mahendra has been tutoring and teaching math for over 15 years. He has experience helping elementary school kids through undergraduate students, and his Math subject scope includes elementary and middle school math, Algebra, Geometry, Trigonometry, Precalculus, Statistics, Calculus I, Calculus II, College Algebra, and others. His favorite part about working with students is introducing new ways to problem solve and observing his students apply these methods. Mahendra graduated from the University of Houston with a BS in Mathematics.
