

# REPORT CARD

Tutor Name: Selvam A.

Joined Firat: 2010

Subjects Taught: Math, Science

## TUTOR BIO

Selvam is a Math and Science tutor who has been tutoring for over 10 years with experience helping middle school through undergraduate students. His areas of focus are middle school math, Algebra, Geometry, Algebra II, Trigonometry, Precalculus, Statistics, Calculus I, and Calculus II. He also teaches Chemistry and Physics. Selvam enjoys working with students to help them realize their potential in these subjects. The most rewarding part for him is helping students break through tough concepts. Selvam graduated from the University of Texas at Austin with a BS in Chemical Engineering.
